HUSKYGRAM

Words From Our Principal

We are off to a strong start to the 2019-2020 school year! It was wonderful seeing all of the families at our Back to School Night last Monday and the students here for the first day on Tuesday morning.

Thank you for cooperating with our drop off and pick up procedures. We appreciate so much your help in keeping our students safe! We will refine and improve these procedures as the year progresses and as needed. As a reminder, the west sidewalk on Arbor Way can be used as a pick up and drop off area. You can bypass the loops and save time by utilizing this area.

Purpose of the HuskyGram

We know you get a ton of emails so we are really trying to minimize the amount you receive from Heritage Elementary.

Unless a topic needs immediate attention, we are going to put all school wide announcements, events, calendars, etc. in the HuskyGram. Please take the time to scan through it each week and most of your questions should be answered here.

Classroom specific announcements will still come directly from the teacher.

We are starting something new in the HuskyGram this year. We are going to feature students doing fun things at Heritage.

Do you see your child? If so, please send an email to either rkeller@dmail.net or mdaly@dmail.net with his or her name and we will reward your child with a small treat or other prize.

ACCEPTABLE USE AGREEMENT

Everyone needs to sign into their myDSD account.

Under NOTIFICATIONS you will see YOU HAVE DOCUMENTS THAT NEED YOUR ATTENTION.

Please go to this area and acknowledge these documents.

Thank You!

We will no longer take requests from callers to call down students in advance to be checked out. Please allow extra time here in the office for us to find your student once you arrive. They could be anywhere

Please discuss with your children before school where they will be going after school or any meeting places. The number of parents calling at the end of each day for messages to be passed along has become unmanageable and we'd hate to not get a message to your student in time.

Our school is helping the Ronald McDonald House this year. Each classroom has containers and our Student Council will be gathering them when the containers are full. <https://www.rmhcslc.org/get-involved/pop-tabs/>

Save the aluminum pull tabs from soda cans. The proceeds from recycling support the cost of House operations. Pop Tabs are found on millions of beverage and food cans. It's these small, all too often overlooked pop tabs that are proving to be a tremendous source of charitable revenue for Ronald McDonald Houses. With the cooperation of schools, companies, and individuals in the community, the Ronald McDonald House in Salt Lake City has raised thousands of dollars since the program kicked off in April 1997.
