

HUSKYGRAM

MARCH 13, 2020

Words From Our Principal

COVID-19 seems to be the topic of the week. I hope you have received the communications from Superintendent Newey that have been sent to families. If you have any questions, please direct them to any of us in the school office. We are hoping that the virus runs its course soon and life gets back to normal. Thank you for your understanding and support during these trying times. Our goals are to keep our students healthy, safe, and learning.

Congratulations to Logan Patane! He is a State Reflections Winner in the film category!

Dear Parent,

Great news! Our school has partnered with Big Smiles to offer in-school dental care. **CLICK** <https://www.myschooldentist.com/> to sign up your child today.

Even better, dental care is usually at no cost to you. All insurance is accepted including Medicaid and CHIP. A low cost self-pay option is available for those without insurance.

Convenient and comfortable

Our in-school dental program saves you time and provides a safe and comfortable place for your child to receive gentle dental care from licensed local professionals. Dental care includes a complete dental exam, x-rays, cleaning, fluoride and sealants when necessary, and in some cases, restorative care such as fillings.

Dental care for a healthy life

Children who see a dentist regularly may have fewer health issues like:

- Early tooth loss due to dental decay
- Gum disease
- Heart disease
- Impaired speech development

Help keep your child healthy, in school and learning.
