Words From Our Principal

What a week we've had weather-wise. It has not felt very spring like. We are hoping for warmer weather in the near future.

Our first week of having lunch before recess has been a success. As with any change, there have been adjustments, but overall, it has been a positive experience. The students have been better behaved and the trash on the playground has greatly diminished. We even heard that some students have eaten in the cafeteria for the first time this year since they couldn't stay outside and play. Your children are amazing! They are kind and flexible even on awful inside weather days. We love associating with them!

Next week our PTA is sponsoring a White Ribbon Week, themed, "I Got the Power." There will be a different teacher-led 5-10 minute discussion each day, with lunchtime activities Monday through Thursday. There will be a parent meeting on Thursday night at 7:00. The week is sure to be informative.
