

Words From Our Principal

Fun Night: A BIG thank you to Kim Brown and Cassandra Cram for planning the wonderful PTA Family Chalk Night! It was so nice seeing the families having fun together and the chalk creations look great!

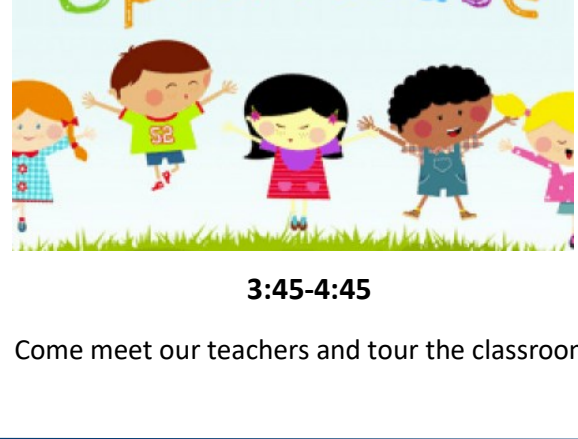

Exciting happenings next week: On Thursday, May 9th, President Stuart Adams, Senator Jerry Stevenson, Speaker Brad Wilson, Representative Stephen Handy, and Chuck Gates will host several Chinese Education Commissioners and other Chinese dignitaries as part of the Sesquicentennial Celebration for the Golden Spike National Historic Celebration. Following the group's morning activities, the delegation will visit Heritage Elementary from 12:45—1:45 pm, where administration and several student ambassadors will welcome them and show them around the school. They want to see an American school in action and will visit immersion and non-immersion classrooms.

The next day, the school will welcome a Chinese principal and her director. They are also interested in seeing the same things as the group who will be here on Thursday. We are very honored that these two groups have chosen to tour and learn about our school.

Community Council

We are looking for parents to serve on the Community Council for Heritage Elementary. Community Council is a wonderful way to serve our school and is tasked with spending and accounting for the School Trust Land dividends that are accorded to our school on an annual basis. This dividend is currently over \$100,000. Community Council can also be used as a resource for other issues that face our school.

The time commitment for Community Council members is typically one meeting a month for about one hour. We usually meet at 4:00 pm on the third Wednesday of each month. (All parents are welcome to attend this meeting.) We ask that our members be able to serve for two years.

You can find out more information by visiting with one of our administrators, Ruthanne Keller or Michelle Daly. You can also visit <http://www.schoolandtrust.org/>

If you would like to serve, please send your name along with the grades of your children to eric.spottedelk@gmail.com by May 3, 2019. Please, also include if you are an employee of Davis School District. If an election is needed we will hold it on May 6.

Sincerely,
Eric Spotted Elk

Box Tops for Education

Our school earned **\$3,358.20** from Box Top submissions this school year! Thank you for your support in clipping and collecting them! That money helps fund field trips, field day, and other fun activities put on by the PTA.

Big changes coming...the Box Top program will be going digital!

- Starting in June, Box Tops for Education will have an app where you can upload your receipts and see in real-time how much you are contributing to our school, as well as how much the school has collected overall.
- We will continue to collect the paper Box Tops and some products you will even be able to "double-dip" getting money from the digital app and money from the clipped paper Box Top.
- The paper Box Top will be phased out until everything is digital by the end of 2019, but Box Tops for Education will continue to accept clipped Box Tops until they expire.

We will share more information as it becomes available, especially as it relates to the new app. Keep a look-out for more information!

Please pay students' delinquent lunch balances as soon as possible.

On the last day of school, lunchables will be served for lunch. The choices will be pizza or ham & cheese as well as fruit and vegetable side options.
