Weekly Newsletter Brought To You By Heritage Elementary

HUSKYGRAM

Words From Our Principal

Another great week of watching students displaying their talents has occurred! Last Friday, students representing their classrooms in grades four through six competed in the Heritage Spelling Bee. Our winners are: 4th grader, Makenna Smith – 1st place; 5th grader, Brighton Chatterton – 2nd place, and 5th grader, Alice Steed – 3rd place. This is the first time in at least six years that a fourth grade student has won the bee. Way to go, girls! All students who participated did a great job! Thank you, Camille Smithson and Jody Wilson for organizing and running this wonderful event!

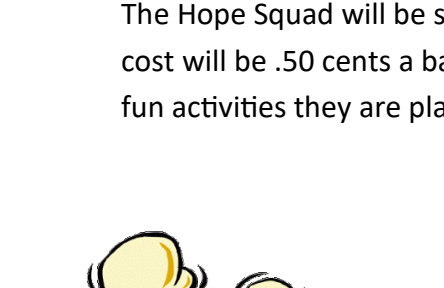

On Saturday, our Vex IQ Robotics teams competed in their first competition. Three of our teams placed 2nd, 3rd, and 4th in the Teamwork Challenge. Two of our teams tied for 2nd place in the Skills Challenge. They did so well especially considering this was their first time competing! Way to go all of you! Thank you Shari Robinson, Danny Liu and Sarah Capps for coaching our kids on the Vex teams!

Good luck to our Ballroom Dance Teams as they compete on Saturday in Utah County! We have so many cool programs and opportunities for students to shine at Heritage! We couldn't do any of it without the selfless volunteers and teachers who work hard helping our students grow and progress!

Our Chinese Immersion students in every grade level have been working very hard to get ready for our annual Chinese New Year Celebration happening on Thursday, January 23rd. The teachers and Chinese interns are teaching them songs, dances, and narratives that they will perform that evening. There will also be a market where items can be purchased. We are excited for this event and hope to see you all there!

You can schedule your appointment online between January 17th starting at 6:00pm until January 26th ending at 11:59pm.

The Hope Squad will be selling popcorn after school Friday the 24th. The cost will be .50 cents a bag. This is a fundraiser to raise money for all the fun activities they are planning for the school.

Jermaine Galloway was a Boise Police Officer for over 18 years. He is currently President/CEO of J. Chad Professional Training and has trained over 85,000 community members, educators, coalition members, EMS, medical personnel, judicial/judges, high school/college students and athletes, counselors, student resource officers, patrol officers, other law enforcement and government personnel nationwide.

YOU CAN'T STOP WHAT YOU DON'T KNOW

This parent/community training will explain current drug trends, including identifiers, logos, and clothes to demonstrate possible high-risk behaviors in youth. This presentation explains the current drug & alcohol terms in simple language for each attendee to apply what they learn in their community, school, or home.

This session will not only identify what some of those products are, it will show attendees behaviors associated with them and how that can impact a young person, family or community who might be associated with this environment.

The pictures can be of class parties, field trips, or any school activity.

Each year the Davis Education Foundation holds a big fundraiser gala in April which raises money for schools in Davis School District. Each school is asked to provide a basket to be auctioned off that night. Schools with the highest selling baskets can earn \$500. During the past year and half that I have been here, using money from our Wasatch Savings fundraiser for tech devices, we have been able to get an additional \$5,000 each year from the Foundation through grants. With this money we have been able to purchase devices which has brought us closer to our goal of one-to-one. Additionally, teachers have applied for and received Cash for Classroom grants of approximately \$300-\$500 each. As you can see, the Foundation has been very good to our school.

The theme for this years' basket is *Family Fun*. We are looking for one or two individuals who would like to take charge of this project with helping to gather donations and creating the basket for our school.

To learn more about the foundation visit www.daviseducationfoundation.org

Additionally, we are looking for donations of all types (cash, gift cards, vouchers, etc) that fit this theme. The possibilities are wide open and any amount will be greatly appreciated. Donations can dropped off in the office until the end of February.

To volunteer to head up this project, please contact Mrs. Keller at rkeller@dsemail.net

A DAY OF LOVE AND LOGIC FOR EDUCATORS & PARENTS

HOW DO I GET THESE KIDS TO BEHAVE?

Dr. Charles Fay

For over 40 years, Love and Logic has been the trusted leader in helping parents and professionals bring out the best in kids.

Love and Logic offers effective techniques for getting kids to behave. More importantly, it provides tools for teaching youth how to make themselves behave! Join Dr. Charles Fay for a fast-paced, entertaining day of strategies for educators, parents, and professionals.

You will learn:

- How to bring the best out of challenging kids
- Evidence-based concepts for fostering social-emotional learning, intrinsic motivation, and resilience
- Skills for providing and enforcing healthy limits
- A relational approach for teaching youth to make good decisions about technology
- How to take good care of your own social and emotional health...and avoid burnout
- And much more!
