

Words From Our Principal

Davis School District sends out surveys each year. The information that comes from the responses helps teachers, administration, and all staff improve in the way we serve our students and you. I invite all parents and guardians to log onto myDSD and take the school surveys. The surveys are quick and easy but very important. Thank you in advance for taking the time to complete them. And thanks to those who have already done so. We appreciate you so much.
